Recommended Administrative Policies to Review (to include but not limited to):

200.2 DE-ESCALATION OF POTENTIAL FORCE ENCOUNTERS

When safe and reasonable under the totality of circumstances, officers shall use de-escalation techniques to reduce the likelihood for force and increase the likelihood of voluntary compliance.

200.2.1 ASSESSMENT AND DE-ESCALATION

As officers arrive on the scene, observe conditions, and interact with the persons there, they should continue to gather additional relevant information and facts. These assessments, along with reasonable inferences help to develop an understanding of the totality of the circumstances of the incident.

200.3 RESPONSE TO RESISTANCE

While the type and extent of force may vary, it is the policy of this department that officers use only that amount of objectively reasonable force which appears necessary under the circumstances to successfully accomplish the legitimate law enforcement purpose in accordance with this order.

200.3.1 DETERMINING THE OBJECTIVE REASONABLENESS OF FORCE

Any interpretation of objective reasonableness about the amount of force that reasonably appears to be necessary in a particular situation must allow for the fact that police officers are often forced to make split-second decisions in circumstances that are tense, uncertain and rapidly evolving, and the amount of time available to evaluate and respond to changing circumstances may influence their decisions.

900.1.1 RESPONSIBILITY TO KNOW AND COMPLY

Recommended Classification: *The OPO is permitted to make a preliminary recommendation on the classification of administrative cases.*
