July 14, 2021

Complaint: Complainant alleges he was attacked by APD officers for filming them while they were having an interaction with one of his friends. Complainant alleges APD officers broke his phone and five ribs were broken as a result of them kneeling him in the side. Complainant also alleges APD officers knelt him in the head until he lost consciousness and he does not know how many tasers were used on him, but it felt like 3 – 4. Complainant alleges he woke up in the back of a cop car and could not breathe and started throwing up and requested medical aid. Complainant alleges the officer that took him in was very helpful (named [REDACTED]) and he took pictures of what the officers did to his back and ribs. Complainant alleges when he went to [REDACTED], he requested a Texas Marshal to file charges on the officers for what they did to him. Complainant alleges a really small guy in booking grabbed his wrist and fractured it. Complainant alleges after [REDACTED] pictures were taken, he requested medical aid and to go to the hospital because he could not breathe but he was denied medical attention and at that point a group of several officers fractured his left wrist again by twisting it to the point of no return. Complainant alleges he stayed in [REDACTED] for two days, which was infested with rats. Complainant is requesting a copy of the video evidence from [REDACTED] and all of officers involved. Complainant stated the Lawyer he has now is [REDACTED] and when he mentioned that a second group of guards in [REDACTED] grabbed his wrist and fractured it again twisted then over on top of his head. Complainant stated he would like to get the video evidence and would like to know who the sergeants were in [REDACTED] and all the officers that were involved in the APD incident down off [REDACTED]. Complainant stated this is not the first time this has happened to him not just by APD but with Travis County—this is probably the 3rd or 4th time.
