*Complaint #1*

Alleged officer got into our faces screaming at us only an inch from my boyfriend's face, saying "do you not know how to listen? I said stop! Get back on the side walk now". I was in shock to have him run at us and yell when we had already said sorry and had already started backing up, and as I was crossing when it was our turn, I made a comment that he was acting like a junior high hall monitor on a power trip and shouldn't have gotten in our faces when we had already apologized. Again, he turned around, took off his traffic vest and tried handing it to me when yelling, again only an in from my face, in a dominating posture "here, you take take my job, why dont you do my job" and I said "I don't want your job, I want you to not get in our faces screaming at us after when already apologized and said we didn't hear you". He continued to scream, mostly in my boyfriend's face, yelling at him. My boyfriend asked the officer for his name and badge number, and the officer continue to yell in his face "do you know how to read? here's my name and number. Why don't you read it"

Alleges officer with badge [REDACTED] got in my face "do you not understand?" took off vest and said "you wanna do my job? officer sprinted up to me and got right into my face screaming "get back on the fucking sidewalk - chest bumped me back to the sidewalk - initiated contact again with me after to take off vest and told me to do the job"
