Recommended Administrative Policies to Review (to include but not limited to):

200.3 RESPONSE TO RESISTANCE

While the type and extent of force may vary, it is the policy of this department that officers use only that amount of objectively reasonable force which appears necessary under the circumstances to successfully accomplish the legitimate law enforcement purpose in accordance with this order.

214.1 PURPOSE AND SCOPE – VEHICLE PURSUITS

Vehicle pursuits expose innocent citizens, law enforcement officers, and fleeing violators to the risk of serious injury or death. The primary purpose of this order is to provide officers with guidance in balancing the safety of the public and themselves against law enforcement's duty to apprehend violators of the law. Another purpose of this order is to minimize the potential for pursuit-related crashes. Vehicular pursuits require officers to exhibit a high degree of common sense and sound judgment. Officers must not forget that the immediate apprehension of a subject is generally not more important than the safety of the public and pursuing officers.

301.1 PURPOSE AND SCOPE – RESPONSIBILITY TO THE COMMUNITY

All persons deserve protection by fair and impartial law enforcement and should be able to expect similar police response to their behavior wherever it occurs. Employees will serve the public through direction, counseling, assistance, and protection of life and property. Employees will be held accountable for the manner in which they exercise the authority of their office or position. Employees will respect the rights of individuals and perform their services with honesty, sincerity, courage, and sound judgment.

301.2 IMPARTIAL ATTITUDE AND COURTESY

Employees are expected to act professionally, treat all persons fairly and equally, and perform all duties impartially, objectively, and equitably without regard to personal feelings, animosities, friendships, financial status, sex, creed, color, race, religion, age, political beliefs, sexual orientation, gender identity or gender expression or social or ethnic background.

303.3 DEPARTMENT ISSUED BODY WORN CAMERA

BWC equipment is to be used primarily by uniformed personnel as authorized per assignment by the Department and must be used unless otherwise authorized by a Commander or above.

303.3.1 WHEN DEPARTMENT ISSUED BWC SYSTEM USE IS REQUIRED

This section is not intended to describe every possible situation where the system may be used. In some circumstances it may not be possible to capture images of an incident due to conditions or location of the camera, however the audio portion can be valuable evidence and is subject to the same activation requirements. The BWC should only be activated for law enforcement purposes.

306.9 FRISK (PAT-DOWN) FOR WEAPONS

A frisk is a mere pat-down of the outer clothing, area, vehicle or container to which a detained person may have immediate access. The purpose of a limited weapons frisk after an investigatory stop is not to discover crime, but to allow the officer to pursue the investigation without fear of violence. An officer does not need to be absolutely certain that an individual is armed; the issue is whether a reasonably prudent person would justifiably believe that he or others were in danger.

318.5.1 MIRANDA WARNING

900.1.1 RESPONSIBILITY TO KNOW AND COMPLY

The rules of conduct set forth in this order do not serve as an all-inclusive list of requirements, limitations, or prohibitions on employee conduct and activities; employees are required to know and comply with all Department policies, procedures, and written directives.
